

SUMMARY OF EXAMINER INTERVIEW

Applicants would like to thank the Examiner for granting an interview on February 16, 2010, and for considering the deficiencies of the cited reference. During the interview, proposed amendments to independent claims 1, 26, and 46 were discussed. The Examiner indicated that the proposed amendments, similar to those set forth herein, may be sufficient to overcome the cited reference, but a final determination may require further search or consideration.
